STEP #1: PATTERN SELECTION

PATTERN SELECTION:

At the fabric store there are _____ where you can find patterns or you can go _____ to look for a pattern.

What are the two things you need know remember and write down when you find a pattern you want?

1. _____ 2. _____

STEP #2: PATTERN VIEW

PATTERN VIEW:

After you have selected your pattern, you will notice there will usually be different _____.

Typically they are identified with _____.

These capital letters will help you _____ which _____ you want to make and identify the item you are referring to on the back of the _____ to get other needed _____.

STEP #3: PATTERN SIZE

BODY MEASUREMENTS:

What are the three BODY MEASUREMENTS you need to take when you are trying to determine what size pattern to buy?

1. _____ / _____, 2. _____, 3. _____.

DETERMINE PATTERN SIZE:

If you are making a dress or shirt, you need to look at your _____ or _____ measurement to determine the _____ you need to purchase.

If you are making pants or a skirt, you need to choose a pattern based on your _____ or _____ measurement.

MAKE SURE THAT YOUR PATTERN CONTAINS THE CORRECT SIZE:

Patterns come in different _____. Patterns contain _____ in one envelope. This does not mean that _____ are in that _____.

After you have determined your size, and selected your pattern, you need to make sure that _____ is in the envelope you have in _____.

If you look at the pattern envelope in the upper _____ corner on the _____ of the envelope, you will see the _____ that are included in this _____.

STEP #4: FABRIC SELECTION

FABRIC SELECTION:

On the back of the envelope there is a paragraph that identifies which _____ of _____ that will be appropriate to use with this pattern.

This takes into particular account whether or not the pattern will _____, when using a fabric that _____ or does not _____.

FABRIC WIDTH:

Fabrics come in _____ standard widths, which are _____ width and _____ width. What this refers to is how _____ the fabric is on the _____.

There is _____ fabric in the 44/45" width than there is on a 58/60" bolt of fabric. This is important because you will need to _____ total fabric for the project if the fabric is a _____ width than if your fabric is a 58/60" _____.

STEP 5: NOTIONS

NOTIONS:

On the _____ of the pattern envelope there is a paragraph that identifies _____ that will be needed to complete the project. _____ are all _____ items that are required to _____ your project, including the following types of things:
