

# Quick and Easy Fun Wallet

## **Materials:**

- Fabric:
- Outside, and dollar compartment - 8"x14" piece of fabric
  - Credit card Holders 17 ½" x 14 ½" piece of fabric
  - Inside Pocket 6" x 4 ½" piece of fabric

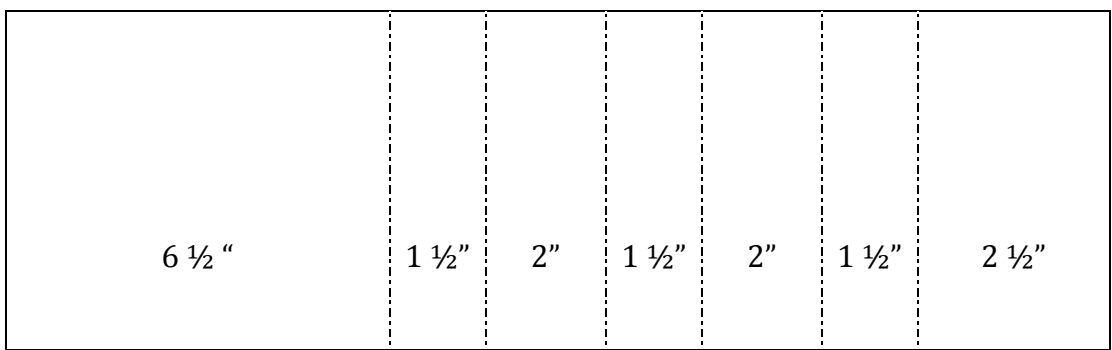

- Notions: - thread, scissors, pins, manila folder, & iron (*with steam*)

## **Instructions:**

Step 1: - Iron the 6"x4 1/2 " piece of fabric in half  
(wrong sides together, matching edges on the 4 1/2 " edge side)

Step 2: - Mark the 17 1/2 " x 4 1/2 " piece of fabric on the wrong side as indicated.  
- You will use these lines as a guide to iron.

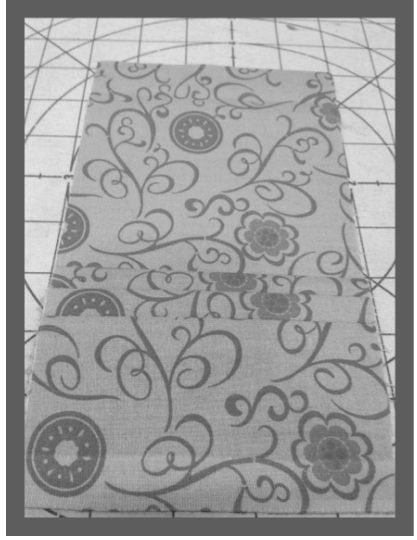

**Make sure to draw your lines straight and exact.**

Step 3: - Start at the 1 1/2" side and fold the edge to the 1 1/2" line  
(wrong sides together)  
- Make sure lines are even, Press.

Step 4: - Flip the fabric over, and press on the next line (right sides together)  
- Continue to flip and press until you have pressed all the lines.

**STEP 4**

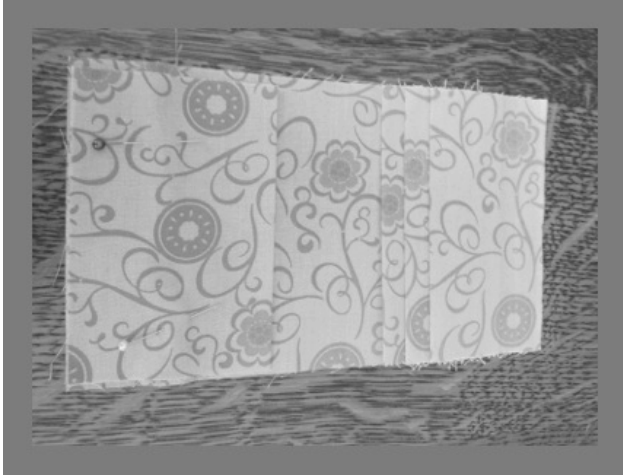

**You should end up with an accordion like this.**  
(If you don't, press flat and try again)

**STEP 3**

Step 5: - Pin the pocket to the inside of the accordion material with the pocket on the left

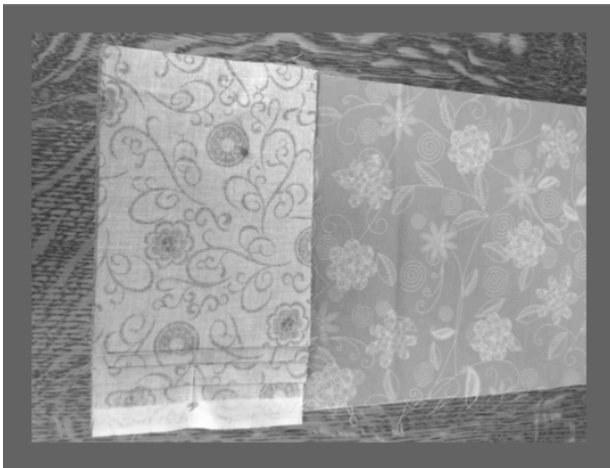

*(raw edges need to be even, and the accordion on the right)*

### STEP 5

- Step 6:
- Lay your 8"x14" piece of fabric face up on the table.
  - Lay the prepared (accordion) piece of fabric face down over the 8"x14" piece of fabric, *(Lining up the long edge of the accordion piece with short edge of the 8"x14" piece.)*
  - Pin and sew, with a  $\frac{1}{4}$ " seam allowance.

### STEP 6

Step 7:

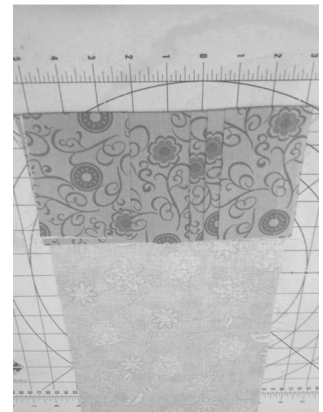

### STEP 7-A

7-A: Press the seam open, Flat

### STEP 7-B

7-B: Then, fold the wrong sides together and press a crisp seam.

Step 8:

- Turn over and fold up fabric *(right sides together)*
- Press, making sure to leave a bit more than  $\frac{1}{4}$ " of the bottom of the fabric showing.

### STEP 8

Step 9:

- Then fold wrong sides together, and press a crisp seam.

### STEP 9

Step 10: - Turn over and mark on wrong side a line going across.

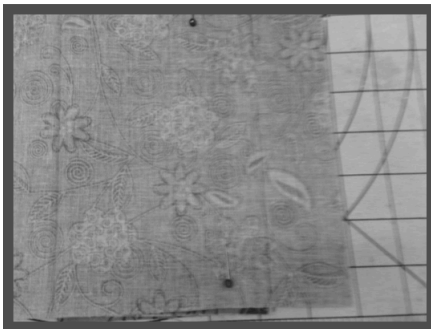

### STEP 10

Step 11: - Turn right sides together, lining up the bottom with the line you drew.  
- Pin and sew  $\frac{1}{4}$ " seam from the marked line, making sure to catch all material.

*Be careful of pleats on the underside.  
Make sure they are flat when you sew.*

### STEP 11

Step 12: - Turn over and trim raw edges. Sew on both sides as indicated.

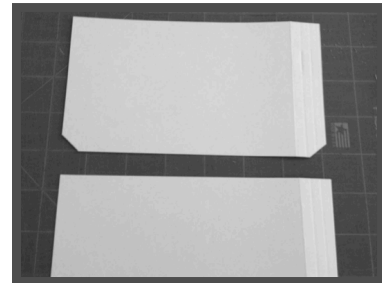

- Turn right side out, making sure to push out corners, and then press flat.

### STEP 12

Step 13: - From the manila folder, you will need to cut 2 pieces that measure approx..  $6\frac{1}{2}$ " x  $3\frac{3}{4}$ "  
*(Size will depend on your sewing, you can trim or enlarge to fit the inside of the wallet)*  
A- Cut off bottom corners at an angle

### STEP 13 - A

B - Insert the manila pieces into the opening  
- Push down until they are all the way inside and to the bottom.

### STEP 13 - B

Step 14: - Fold the raw edges of the opening in, about  $\frac{1}{4}$ " and

topstitch closed, close to the edge.

#### STEP 14

Step 15:

- Here's the **MAGIC** part!
- Push the lining fabric into the wallet,
- Make sure to position it between the 2 pieces of manila folder pieces
- Carefully match up the edges of the wallet and fold and crease the middle.

**That's it! You're Done!**
