

RICE PAK & DRAWSTRING BAG

GRADING CATEGORY #1 - LAYOUT GUIDE

1. **MATERIALS NEEDED:** Cotton Woven Fabric, Fleece Fabric, Rice Pak Pattern (2 sheets), Instruction Sheet, Evaluation Sheet.

1. DRAWSTRING BAG FABRIC LAYOUT:

Fold the woven fabric for the BAG so the fold is **PARALLEL** to the **SELVAGE EDGE**

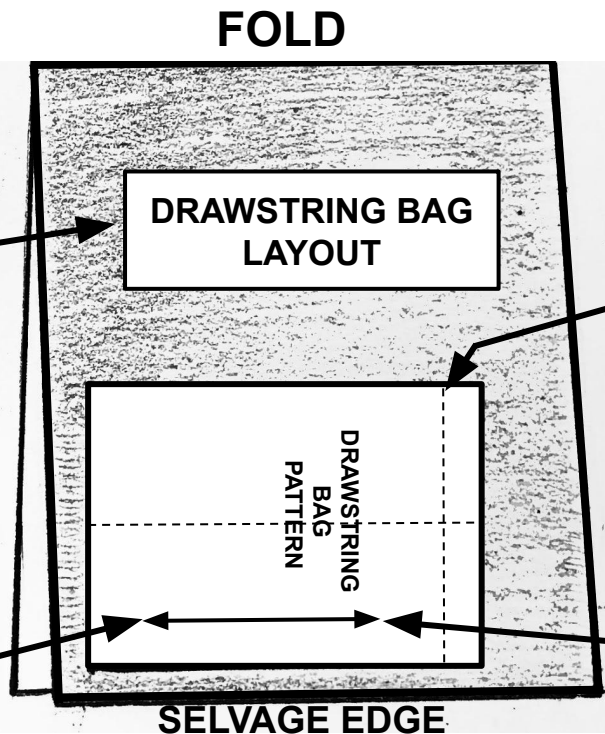

AS PICTURED:

2. DRAWSTRING BAG PATTERN LAYOUT

Lay out the pattern so that the **GRAINLINE** is **PARALLEL** to the Selvage Edge and the Fold.

A. PIN & MEASURE:

Place a pin through one end of the **GRAINLINE**. Measure from **GRAINLINE** to either the **SELVAGE EDGE** or to the **FOLD**.

USE ONLY TWO PINS!

One pin on each side of the grainline!!!

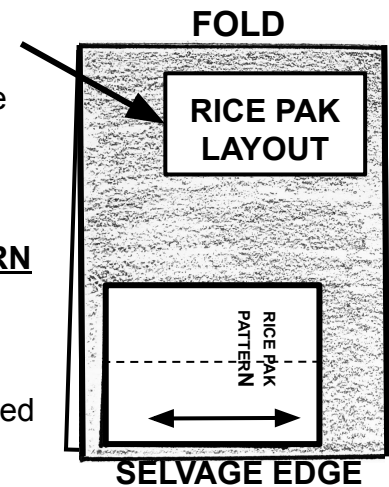

3. RICE PAK LAYOUT:

Prepare fleece fabric the same as the Drawstring Bag Fabric Layout.

AS PICTURED:

4. RICE PAK PATTERN PREPARATION:

Fold the top of the pattern down on the **FOLDLINE**, as indicated on the pattern.

B. MEASURE & PIN:

Measure from the other end of the **GRAINLINE** to the **FOLD** and make sure it is the exact same measurement. And then place your Second pin.

5. RICE PAK PATTERN LAYOUT:

Layout the Rice Pak Pattern the same way you laid out the Drawstring Bag pattern. Measure the grainline to make sure it's parallel.
